Oasis Psychological Services

January 2017- October 2020

Contracted Psychologist

Mesa, Arizona

A private practice providing psychological and psychosexual assessments to adolescents on juvenile probation. Evaluations focused on diagnosis, cultural considerations, sexual and legal risk, as well as future recommendations. Responsibilities included group therapy for adult, convicted sexual offenders. Therapeutic interventions are cognitive-behavioral in nature.

Psychological and Consulting Services

June 2017- September 2018

Contracted Psychologist

Mesa, Arizona

An outpatient private practicing assessing and treating adult clients who have committed sexual offenses. Responsibilities include treatment of sex offending behavior, mental health disorders, treatment planning, and facilitating group and/or individual psychotherapy. Responsibilities also included evaluating risk of recidivism and advocacy for client needs.

Contracted employee for a foster care placement agency. Family and individual therapy was provided for adolescents residing in foster homes and group homes. Client presented with a variety of issues including sexual offense history, mental health and behavioral difficulties, and attachment difficulties, amongst others. Client ages ranged from 3-17 years. Clients were of various cultural backgrounds and presented with mental health issues including intermittent explosive disorder, bi-polar disorder, anxiety, and depression. Complete treatment notes and plans, treatment recommendations, and attend monthly team meetings for client support.

TRAINING EXPERIENCE

Youth Development Institute

Clinician/Post-doctoral Fellow
Phoenix, AZ

August 2016-August 2017

Supervisor: Lee Underwood, Ph.D.
Jessica Leclerc, Psy. D.

An inpatient residential facility assessing and treating juvenile male clients who have been adjudicated for sexually offensive crimes. Responsibilities included providing psychosexual assessments for juveniles, facilitating group, individual, and family psychotherapy. Responsibilities also included supervision of psychology, social work, and counseling students as well as advocating for client needs and promoting cultural humility when working within marginalized communities. Additionally, supervision for youth care workers and employees in need of disciplinary action. Participated in weekly individual and group supervision.

Arizona State Hospital, APA Accredited

Pre-doctoral Intern
Phoenix, AZ

September 2015-August 2016

Supervisors: James Holmes, Psy. D.
Summer Schneider, Psy. D.

An inpatient psychiatric facility assessing and treating adult clients who have been deemed Guilty Except Insane, a danger to themselves or others, or are Sexually Violent Persons (SVP). Responsibilities included diagnosis and treatment of adult sex offending behavior, violence risk assessments of GEI patients, facilitating SVP group and/or individual psychotherapy, as well as facilitating restoration to competency groups. Didactic training was provided to psychologists, psychiatrists, and graduate students. Training typically focused on diversity and cultural competency of mental health professionals, promotion of human rights, and ethical practices. Weekly peer to peer supervision was provided for practicum level students. Participated in weekly individual and group supervision.

Psychological and Consulting Services

Practicum Student
Mesa, Arizona

August 2012 – August 2013

Supervisors: Steven Gray, Ed.D.
Tina Garby, Psy. D.

An outpatient private practicing assessing and treating adult clients who have committed sexual offenses. Some clients continued to be detained and awaiting trial for the offense. In this case, clients were seen in jail. Provided psychosexual assessments for the adult sex offender population. Responsibilities included diagnosis and treatment of sex offending behavior, mental health disorders, treatment planning, facilitating group and/or individual psychotherapy, as well as conducting intake

evaluations. Responsibilities also included documenting therapy notes and psychological reports as well as monthly didactic trainings. Participated in weekly individual and group supervision.

Dr. General Private Practice
Practicum Student
Mesa, Arizona

August 2011 – August 2012
Supervisor: Wayne General, Ph.D.

Private practice providing neuropsychological assessments for Social Security Disability. Neuropsychological, competency, and psychological evaluations were also conducted with incarcerated adults and juveniles. Responsibilities included providing neuropsychological assessment, diagnosis, and treatment recommendations for both adult and juvenile inmates regarding criminal competency. Participated in weekly individual and group supervision.

Arizona Department of Juvenile Corrections
Psychology Trainee
Phoenix, Arizona

August 2008 – August 2009
Supervisor: Glenn Tanita, Ph.D.

A juvenile correctional facility for adjudicated males and females. Provided individual and group psychotherapy for adjudicated delinquents, and sex offender youths ages 12 to 18. Responsibilities included documenting therapy notes, crisis intervention, suicide prevention, treatment planning, child and family team meetings, and family therapy. Additional responsibilities included psychosexual education and appropriate interpersonal relationships, advocating for incarcerated youths to explore personal rights to aid in successful transition to the community. Participated in weekly individual and group supervision.
